Announcement.
STATE SENATE.
We are authorized to announce Hon. Josiah Howard of Emporium, Cameron county, as a candidate for State Senate for the 28th district comprising the counties, Cameron, Clarion, Clinton, Elk and Forest, subject to the decision of the Republican voters at the primary election, May 18, 1914.

ASSEMBLY.
ED. REPUBLICAN:—At the urgent solicitation of friends throughout the county, I have consented to again be a candidate for the Republican nomination for Assembly from Forest County at the Primary, May 19, 1914.

A. R. MEHLING.
Clarington, Pa., March 31, 1914.

CALIFORNIA appears to be perfectly willing to let Japan maintain an exhibit at the Panama-Pacific Exposition. Otherwise, however, she wants the little yellow cusses to keep off the grass.

SENATOR PENROSE ought not even to hint that Senator Reed should accompany the troops to war. Senator Reed's voice is needed to arouse the multitudes to frenzies of patriotism.—St. Louis Globe Democrat.

AS WILL be noted by reference to the proper place in this issue, Hon. Josiah Howard, of Emporium, Cameron county, is announced as a candidate for State Senator from this district, comprising the counties of Cameron, Clarion, Clinton, Elk and Forest. Mr. Howard is the only name that will appear on the Republican ballot at the May primaries, and in all human probability he will be the candidate of the party at the November election. Thus it goes without saying that the party will have one of the pre-eminent able men of the district around which it can rally. Mr. Howard is one of the first rank business men of his county, clean and courageous in his every act, and a man who is held in highest esteem in the community in which practically all his mature life has been spent. His large experience as a member for ten years of the lower house of the legislature would make him an ideal and influential representative in the Senate.

Kellettville.
Mr. and Mrs. Charles Pops spent the week visiting friends at Frewsburg, N. Y.
Wm. Barrett attended court in Tionesta during the week.

The music recital given in the school house Wednesday evening by Mrs. W. F. Jones' pupils was well attended and all speak words of commendation. A silver offering of \$16.20 was taken, which will be added to the fund being raised to pay for the high school piano. The following pupils from Kellettville appeared on the program: Amy Kinch, James Flynn, Ethel Rich, Adelle Watson, Josephine Smith, Annie Johnson, Marjorie Nash. Those from out of town taking part on the program were: Ednah Davis, Bessie Littlefield, Mary Reed, Ednah Deshner, Frances Blawser, Katherine Walters, Flossie Heasley, Clara Smith and Adeline Campbell. Other members of the classes took part in the songs. James Flynn, who has been a pupil of Mrs. Jones, practically all his life, held a prominent place on the program, appearing in five different members. His rendition of the Alpine Storm reflected credit on both pupil and teacher. Another number which received favorable comment was the March by Flossie Heasley, who was so small she could not reach the pedals, but played her piece like a veteran. In fact there was not a failure on the list, and Mrs. Jones was justly proud of her pupils' work.

Porkey.

The Sheriff school gave a picnic to its friends and patrons on Saturday and there was a good attendance and everybody had a good time. Sam Oberman who lives in Titusville and sells goods to most of the people in this part, was invited but did not partake of the festivities as he was not so well dressed as he thought he ought to be. Many men in these parts are invited to picnics, church and Sunday School, and are told to come as they are, as we do not judge a man by the outside here. Vernita Rupert and the Heasley girls were present and enjoyed it. Vernita had the camera along.
On Sunday several young ladies from Sheriff, Wellers and Cozy Nook were down and went on the rocks for arbutus, which grows on the hills here. They got a nice lot of it and left a lot at the Rupert home, having forgotten it.

It looks bad for the future of Forest county as far as horse racing, but we can go out and load up in Warren county and bring enough in to pollute the whole countryside. We ought to have guardians appointed to look after us for we don't seem to realize that this will put us out of our jobs if we don't quit it.

Whooping Cough.
"About a year ago my three boys had whooping cough and I found Chamberlain's Cough Remedy the only one that would relieve their coughing and whooping spells. I continued the treatment and was surprised to find that it cured the disease in a very short time," writes Mrs. Archie Dairymple, Crooksville, Ohio. For sale by all dealers.

THE "PRUDENT MAN" SEES THAT HIS SON HAS A BANK ACCOUNT

This would be a more prosperous community if every father in it would say to his boy: "Son, start a bank account this very week and every dollar you save and put in the bank I'll give you another dollar to put in the bank with it"—and if everybody had sense enough to do it. The "prudent" young man who banks his money becomes a prosperous man.

The readers of this paper will be pleased to learn that there is at least one dreaded disease that science has been able to cure in all its stages, and that is Catarrh. Hall's Catarrh Cure is the only positive cure known to the medical fraternity. Catarrh being a constitutional disease, requires a constitutional treatment. Hall's Catarrh Cure is taken internally, acting directly upon the blood and mucous surface of the system, thereby destroying the foundation of the disease, and giving the patient strength by building up the constitution and assisting nature in doing its work. The proprietors have so much faith in its curative powers that they offer One Hundred Dollars for any case that it fails to cure. Send for list of testimonials.
